

VILLAGE DAY COMPETITION!

Dear Children,

As you know, the theme for village day this year is UNDER THE SEA! This year, the Codicote Village Day Deep Sea Divers have hidden a number of items around the village and we need your help to find them. The items will be hidden in the windows or another location you can see from the street. The items will be on display between Saturday 8th July and Sunday 16th July.

The child who correctly lists the most items will win a Family Set of 4 Tickets to this year's pantomime at the Gordon Craig Theatre! If there are several children who list the same number of items correctly, we will put all the names into a hat and draw the winners!

You just need to fill in the table below telling us what you can see in each place and hand it back to the school office by Tuesday 18th July. The winner will be notified at the start of next term.

Good Luck!

Name:

Class (if Codicote School):

Contact Number and age (if not at Codicote School):

Boring bit for parents.... All items will be hidden in a window or other place which can be seen from outside. Our neighbours and village businesses have kindly agreed to take part so please minimise disturbance, particularly to private homes, and do not knock on doors etc. Please try to keep safe and don't block the pavement or step onto the roads, etc..... But most important – this is a FUN competition – so enjoy!

Location	Item
The Red House
